

Background

WASDA was established in 2001 as a non-governmental organization in Somalia to support government and development efforts in addressing challenges in the Horn of Africa. WASDA has Operations in Kenya and is preparing interventions in Ethiopia, with plans to extend activities to Eritrea and Djibouti—reflecting WASDA's strong commitment to regional development.

Our Vision

A prosperous and resilient Somali community where all individuals have sustainable access to food, clean water, health services, and education.

Our Mission

To deliver life-saving and life-changing humanitarian and development programs across WASH, food security & livelihoods, health & nutrition, protection, education, and youth empowerment — ensuring that chronically vulnerable and displaced communities can rebuild and transform their lives.

Thematic areas

- Food Security and Livelihoods (Agriculture, Climate, and Natural Resources)
- Water, Sanitation, and Hygiene (WASH)
- Health and Nutrition
- Education
- Peace Building and Governance
- Protection and Gender Empowerment

Empowering Communities, Driving Lasting Change

Core Values

- Strong commitment to community service and social responsibility
- Responsiveness to community needs,
- Delivery of quality services,
- Accountability to all stakeholders.

Goals

Our strategic goals focus on addressing food and nutrition insecurity, improving access to essential resources like water, sanitation, and education, and strengthening local capacities and partnerships to enhance community participation in development and decision-making.
